Serial No. 10/538,289 Docket No. JP920020206US1 Firm No. 0057.0046

REMARKS

The Notice of Allowability incorrectly identifies the allowed claims as 31, 32, 30-47, 50-56, and 59-64. Applicants submit that the range "30-47" is a typographical error, and that the "30" should be a "40". Thus, the allowed claims before renumbering are 31, 32, 40-47, 50-56, and 59-64. Applicants submit above a full listing of the current claims.

Applicants amend claim 47 to add an instance of "and" before last limitation and amend claim 56 to remove an inadvertent instance of "and" between limitations.

In the statement of reasons for allowance the Examiner provided various reasons for allowance. Applicants will not specifically address or respond herein to the issues/points raised by the Examiner in the Examiner's provided remarks. However, this should not necessarily be viewed as constituting acquiescence by Applicants as to the correctness of some or all of the Examiner's provided remarks.

Moreover, Applicants note that the claims are directed to various combinations of features. It is respectfully submitted that the patentability of each of the allowed and allowable claims resides in every feature of the recited combination of features of the claims in addition to the features noted by the Examiner.

Applicants submit that no new claims or new matter has been added to the application. Nonetheless, should any additional fees be required, please charge Deposit Account No. 09-0460.

The attorney of record invites the Examiner to contact him at (310) 553-7977 if the Examiner believes such contact would advance the prosecution of the case.
